

Keep Graham Beautiful Wants You!

Since it was reorganized in February 2012, Keep Graham Beautiful has aimed aggressively to restore our community's unique beauty. You likely have seen Litterbuggy I or Litterbuggy II scouring the curbs in front of your home or business and perhaps you benefitted from the neighborhood disposal containers, courtesy of the city of Graham, in either the spring cleanup or fall brushup campaigns.

Thank you for your support in 2012!

As Keep Graham Beautiful moves forward in 2013, it needs your continuing support, your awareness of the need for litter prevention and, if you are able, your direct involvement to ensure a cleaner and more appealing Graham.

For the new year, Keep Graham Beautiful offers two options for you to be directly involved . . .

() KGB Trash Trooper

I will commit four or more hours each month to pick up litter from streets, parks and public areas in Graham. KGB will provide me with a distinctive vest and matching cap, an EZ Reacher litter pickup tool and a trash bag ring. I will receive a KGB decal for my vehicle or business window, an "I Support A Cleaner Graham" yard sign and a litter bag for my car or truck. A quarterly newsletter will keep me informed about what other friend and neighbor volunteers are doing to keep Graham beautiful.
